

## Day-care Centre (Tageszentrum) AWOSANA GmbH

### Who can visit the Tageszentrum?

Our visitors should be willing to get involved in the team and our offers.

Unfortunately we cannot accept people with

- a primarily addiction
- a geriatric psychiatric disorder
- a primarily mental deficiency

### Day structuring offers

Our focus is on the working section, because we want to enable you to keep, regain and improve your potential and earning capacity. There are different kind of work, such as wrapping, mounting, tagging and sorting for various companies, which are supplied by us. Furthermore, we offer car washing, a second hand shop including its own shop, a domestic economy and cooking group and an ironing area.

In every area there is the possibility of making some extra money.

Additionally we offer:

- Sportive activities, such as weekly soccer practices and hiking groups
- Creative groups (Drawing, crafting etc.)
- Artistic groups (Singing group, music therapy, a band)
- A newspaper group, that publishes a newspaper ever half year
- And more

We also offer regular spare time activities (in the evening and on the weekends as well) such as trips, parties, visits to the movies etc.

Once a year vacation trips take place.

## **Our aims**

The Tageszentrum focuses on people with a chronic psychiatric disorder or mental deficiency who cannot take part in the regular working life, but wish for and need a structured care program.

A reasonable structure of your day is supposed to help easing the impact of your disorder, decreasing the time of illness and preventing hospital stays. Regular visits to the Tageszentrum will help you to prevent crises respectively keep them short and make them more bearable.

If you take part in our work and activity offers we will be able to further your resilience and support and stabilize your independency.

Together with other visitors, who are in the same living situation, you can organize your day and, besides the work and activity offers, socialise.

Teamwork and our spare time activities will give you the chance to improve essential skills and abilities and extend your social competence.

## **Our staff**

Our team consists of employees of different occupation groups. Trainees and interns support us. We collaborate with legal advisors, the assisted living, ambulant sociotherapy and relatives. Regular further education is a given.

## **How to reach us?**

Tramway number 3, stop "Augsburger Str."  
 Bus number 35, stop "Christian-Dierig-Haus"
